## Drawing of Canal Point Baptist Church Sunday School Rooms

STREET ELEVATION

The Canal Point Baptist Church has completed plans for the building of some new Sunday School rooms. The Committees for the various phases of the work are as follows: General Chairman, Grady T. Echois; Plans Committee, James Gibson, Chairman; Grounds Committee, J. H. Bordeaux, Chairman; Finance Committee, J. G. Weeks, Chairman; Legal Committee, Alton W. Jones, Chairman; Publicity Committee, Mrs. Paul Rardin.

Chairman; Purchasing Committee, D. P. Hughes, Chairman; Furnishings Committee, J. S. Atkins, Chairman; Construction Committee, R. J. Maxson, Chairman; Treasurer, A. T. Holt; Receiving Clerk, W. S. Cross.

The Building Permit has been issued by the Palm Beach County Zoning Board. The trees which had to be removed are being taken down by J. G. Weeks and his crew of workmen. Many cubic yards of

fill are being placed on the Church grounds. The actual construction will be started real soon.

The estimated cost of the new building is \$35,000.00. C. A. Cone is the Architect. He has completed the blue prints, including the details of construction. The Plans call for a complete air conditioning system, caring for both the cooling and heating needs of the entire building.

## Maybe They Won't Split The Big Lake

The county commission was optimistic this week that the county will keep Lake Okeechobee within its boundaries despite threatening legislative action to divide the lake between several bordering counties.

A letter to the commission from Rep. Emmett Roberts, said the bill to split up the lake had been approved by a house committee and sent to the floor. Roberts said he believed the bill would be beaten if it came to a floor vote.

The commission also took cognizance of the fact that a companion senate bill will probably never get out of committee hearings since there will not be time in the closing hours of the current legislative session.

## Funeral Services For S. F. Lowery

Funeral services were held at 2 o'clock yesterday (Thursday) afternoon for S. F. Lowery, 65, of Pelican Lake who died Monday night in the local hospital after a long illness. He was a field foreman for the U. S. Sugar Corporation and had lived in this area for 23 years, coming here from Dublin, Ga.

Services were held in the Canal Point Baptist church with Rev. Charles D. Stewart in charge. Burial was at Port Mayaca cemetery.

He was member of the Canal Point Baptist Church, the Everglades Masonic Lodge No. 211, and Woodmen of the World.

Surviving are his wife, Mattie, of Pelican Lake; two sons, Thomas and Lowery of Moore Haven and Louis Lowery of Belle Glade; three daughters, Mrs. Juanita Bracewell of Pahokee; Mrs. Mary Hughes of Belle Glade; Mrs. Johnnie Meeks of Folsom, La.; one brother, C. C. Lowery, Macon, Ga.; 13 grandchildren, one greatgrandchild.

Mrs. A. R. Chastain was a business visitor in Salt Springs several days this week.

## Little League Aid Fully Appreciated

## Achievement Day Attended By Clubbers

Twenty-one 4-H Club boys and girls of Canal Point and three members of the Pahokee 4-H Club attended the County Achievement Day Meeting Saturday, May 20 in the Mounts Building in West Palm Beach.

4-H Boys Clubs participated in parliamentary procedure contests. Separate meetings were held for both boys and girls councils. Following the close of the business meetings the clubs members were invited to "Splash Party" held at the Lake Worth Casino.

## Glades Boys, Girls Go To Short Course

4-H State Short Courses are to be held June 12 thru 17, girls are to attend classes at Florida State University in Tallahassee and the boys are to go to the University of Florida in Gainesville. This announcement was made by Miss Merriam Lo Pinto, Mrs. Laura Burgard, Raleigh Griffith and John Causey, County Assistant Agents who will accompany the young people along with their leader representative. Twelve boys and twelve girls were chosen to attend these courses on the basis of their leadership participants and achievements in 4-H Club work.

Chosen from the Glades area for the third year, Miss Janette Harrington has been awarded the State scholarship given by the State Department of Agriculture. She is also president of the Palm Beach 4-H Girls County Council and will represent the County at the State Council Meetings. Other members chosen from this area are: Ann Murray, Belle Glade; Helen Zwicker, Glades City; Karla Mansfield and Daphne Henderson, both of South Bay; Lynn Nicely of Pahokee; and Mike Mansfield of South Bay.

Mrs. A. R. Harrington of Canal Point, has been selected as a leader representative to accompany the girls and the County Agents to Tallahassee.

## Pahokee High Graduation Set For Friday, June 9th

### We'll Take An Orange Bill

There's always something new coming out of Washington, D. C. Now comes colored money. Only the familiar dollar bill will retain its green color. All other denominations will take on a new brilliant hue.

For instance, the Bureau of Engraving and Printing says, that \$5 bills may be printed on blue paper, \$10's on red paper, \$20 on yellow, \$50 on orchid and \$100 on orange.

In the country weekly newspaper business we will probably continue to see our fair share of greenbacks. However, we are living and hoping for the day when we handle one or two of those orchid and orange colored bills.

## Will Lights Stay On In Canal Pt.?

After enjoying street lights for several years, it may seem a little rough to residents of Canal Point to go back to plodding their way around after night in the dark. It could happen, you know.

For several years the Canal Point Lions club has acted as agents for the Florida Power and Light Company and collected enough free will offerings to keep the lights burning. The deadline is June 30th. After that out go the lights if the bill isn't paid.

An open letter from the Lions club is printed below:

This year, as in the past, the Lions Club of Canal Point is sponsoring their annual Street Light Fund Drive. All the money to maintain street lights must be in by June 30th.

The Lions are the agents only. Keeping the lights on is up to you, you may donate your contributions at any of the following places:

Hook's Grocery  
Sears Hardware  
Canal Point Pharmacy  
Or by contacting Albert Fremd or Grady Boynton.

## Junior Red Cross Has Final Meeting

The Junior Red Cross of the Glades Area held their final meeting of the School year Thursday, May 18 in the Lake Harbor School building at which time Janice Chancey of Belle Glade was elected president. Other officers elected at this time were: Mike Elliott of Pahokee, vice president; Patricia Salvatore of Chosen, recording secretary; Lodus Gray of Canal Point, recording secretary; and Molly Thomas of Lake Harbor, treasurer. Mrs. Helen Hartley of West Palm Beach, Junior Red Cross director for Palm Beach County, installed the newly elected officers.

Graduation exercises for Pahokee High School Seniors are scheduled for Friday night, June 9 at the high school gymnasium, according to Brooks Henderson, principal. Dr. Paul Graham, Dean of the Evening Division of Palm Beach Junior College, will deliver the graduation address. The exercises start at 8:15 p. m.

Valdicatorian for the class on graduation night is always the student with the highest grades and this year Miss Ila Mae Smith of Canal Point is recipient of that honor. Salutatorian is always the student with second highest grades and another Canal Point girl—Miss Glenda Mae Sears—won that honor.

Principal Henderson said that the Senior class is made up of 61 candidates for graduation but a firm list cannot be released until June 2, when final examination reports are recorded. Two or three of the Seniors are on the borderline and may not make graduation, he said.

Class night exercises are scheduled for the high school auditorium on the night of June 6. It is at this time that class awards are handed out to the deserving students. Many fine awards will be made on that night, the principal said. The exercises start at 8:15 p. m.

The Baccalaureate Sermon will be delivered this year by Rev. Charles D. Stewart of the Canal Point Baptist Church and the sermon will be heard by the Seniors in the First Baptist Church in Pahokee. A capacity house of friends and parents of the Seniors is expected for the sermon which will be delivered on the night of June 4 at 8:15 p. m.

## New Road Idea Sent To State Road Dept.

A delegation from Pahokee, headed by M. I. Keen, and including members of the city commission, won county support Monday for road improvements in that Glades community.

The group presented a petition signed by some 300 Pahokee residents, calling on the State Road Department to provide an adequate and safe highway through Pahokee.

Keen told the commission that a four-lane road was needed in the Pahokee business district.

The county board, at the suggestion of Commissioner Paul Rardin, accepted the petition and instructed that it be forwarded to the State Road Board with concurrence of the county.

### SPECIAL SERVICES

Baccalaureate Services for all the Catholic Children of Pahokee, Indiantown and Clewiston will be held May 28th, 6 p. m. in the St. Phillips Catholic Church in Belle Glade and High Mass will be offered. Following these services the graduates will be guests at a dinner at the Clewiston Inn in Clewiston.

## Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission this week voted to lease a 14-acre plot off State Road 7 for use as a site for rodeos and horsemanship exhibitions.

M. A. Rogers, Delray Beach, appeared before the commission to request use of the land. He said the Palm Beach County Sheriff's Mounted Patrol, a non-profit corporation, wished to obtain use of the land to promote riding and

horsemanship activities for the youth of the county.

He said Boy Scout groups, 4-H club members and other youth groups do not have adequate facilities to learn horsemanship.

The object of the Posse, he said, is to pass on to the youngsters the knowledge with the 40-member mounted patrol has and to sponsor junior rodeos and other such activities for charity.

## Pahokee Group In General Meeting

The general meeting of the Women's Missionary Union of the First Baptist Church in Pahokee was held Wednesday, May 17 in the church. The Junior Girls Auxiliaries were their guests at the family night supper. Following supper the G. A. Girls and their leader, Mrs. David Unwin presented the program entitled "Stewardship".

After the program Mrs. Joe Thompson President of the WMU, presided over a short business session. The next meeting will be held June 21 and the Little Moon Circle will be in charge of the program. Meeting was closed by Mrs. E. B. Gamble with a prayer.

## Liquor Hours Up Before Board Again

A change in regulations setting hours for the sale of liquor in areas outside municipalities and under control of the county, is being considered by the County Commission.

Request for such a change was made by a supper club operator whose place of business is located on the outskirts of Belle Glade.

The operator asked the commission to rescind a resolution adopted in 1952 where hours of operation were set at midnight on weekdays and 1 a.m. on Saturday.

The petitioner said when the resolution was adopted, it had been done with the idea of establishing standard closings for all liquor houses in the Glades. Since that time he said, new hours permitting later closings have been adopted by South Bay and Pahokee.

The commission instructed its attorney to compile all information in connection with the request and to review closing resolutions adopted by the commission and to make a report to the board at its next regular meeting.

In other actions the board:

Voted to grant the Florida Power and Light Company an easement for construction of a power line in areas between Delray Beach and Boynton Beach.

Heard that a conference scheduled Friday may result in court action which will allow the county to clear a U. S. Highway 1 right of way in Boynton Beach to permit opening construction bids on the road improvements late in June.

Received a request from Ocean Ridge for right of way necessary to construct a turn-out at the intersection of State Roads 804 and A1A, to break up a traffic bottleneck. The request was sent to the State Road Department with a request that the proposed improvements be studied.

**HOME FROM OVERSEAS**  
Cpl. Gene Dixon arrived in Canal Point Friday and will spend a part of his thirty day leave with his mother, Mrs. Hattie Dixon and two brothers and sister, James, Paul and Kay. He is serving in the U. S. Marine Corps and has just returned from overseas duty in Okinawa.

Here's what the new 3½% interest rate  
on U.S. Savings Bonds means to you:

**\$3 = \$4 fourteen months faster than before**

*The Bonds you own are better  
than ever, too.*

The new 3½% rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra ½% from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

*More advantages of U.S. Savings Bonds*

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

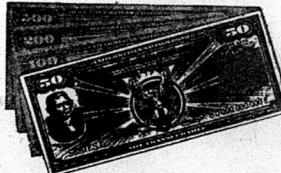

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

*You save more than money  
with U.S. Savings Bonds*

## Local Girls Win Essay Contest

The Canal Point Garden Club offers a prize each year to two seventh grade students of the Canal Point School, for the two best essays written on "Conservation". This year these prizes will be awarded to Nancy Harrington on her paper of "Conservation of Insects" and to Jojo Young on her paper of "Conservation". They were guests speakers at the May meeting of the Canal Point Garden Club.

## Daughter Of Former Residents Honored

Miss Gerry McRae, daughter of Mr. and Mrs. M. Gerald McRae of Morven, Ga., (former residents of Canal Point and Pahokee) won the title of Georgia Number 1 Home Maker.

Miss McRae is a member of the senior class of the Brooks County Senior High School in Quitman, Ga., and for the past four years worked toward this goal, thinking and working in terms of Home Economics Major and has combined her talents in the arts and sciences in home-making.

On April 21, the Home Economics teacher accompanied her to Macon, Ga., where she presented her six minute talk on "Time Management in the Home". This was the Brooks County Regional Entry in the Literacy Meet. Here she learned she had won the State Award and just had time to get to the State meeting in Atlanta and receive the award and to represent her class as president of the F.H.A.

Gerry's eight projects in reaching her State degree included sewing for her younger sister; study of better use of leisure time and improving her vocabulary.

Aside from the homemaking angel, she is an A student and is outstanding in Art, and Music in the Schools and in her community. After graduation she plans to enter Abraham Baldwin Agricultural College in Tifton, Ga., for her first two years then on to Florida State University in Tallahassee.

This news item was taken from the "Personality of The Week" column of the Quitman Free Press, May 4, 1961. Edited in Quitman, Ga., and the young lady is the daughter of Gerald McRae formerly of Canal Point and Berville Thomas of Pahokee, both are graduates of Pahokee High School classes of 1939 and 1940.

## Allstate Finances Driver Education

TALLAHASSEE — The State Department of Education has received a \$3,000 driver education grant from the Allstate Foundation. Under provisions of the grant, scholarships are being awarded to high school teachers throughout Florida for summer driver education courses at three universities.

Superintendent of Education Thomas D. Bailey accepted the gift from Roland Hagedorn, Allstate Foundation representative. More than 25 teachers will be granted scholarships to summer sessions at the University of Florida, Florida Institute of Technology and the University of Miami. Upon completion of the course, these teachers will become certified driver education instructors in state high schools.

It is expected that all scholarship recipients will introduce new driver education courses in their schools or expand present facilities during the next school term.

## Barbecue Supper Celebrates Birthdays

## C. P. Garden Club In Regular Meeting

The Canal Point Garden Club met Thursday May 18th at the home of Mr. and Mrs. F. M. Wilson with Mrs. Floyd Erickson as co-hostess, Mrs. Carter president, presiding.

Mrs. Glenn Powell program chairman introduced the guest speaker, Mrs. Charles Stewart, who presented a most interesting program on "Conservation of Birds". She was assisted in her program by one of her third grade students, Lucky Botzler who read information of birds from his scrapbook.

Mrs. Stewart concluded her program by introduction of the two winners of the Canal Point Garden Club essays on "Conservation", they were: Nancy Harrington, who read her paper on "Conservation of Insects" and Jojo Young on "Conservation". The young ladies are members of the seventh grade class and are also 4-H Club members of Canal Point Elementary School.

Following the program Mrs. Carter presided over the business session and was presented a gift from the club in appreciation of her services as president of the past year. She closed the meeting by reading the names of her special committees.

Mrs. Susie Wilson of Chiefland and Mrs. W. E. McCall of Canal Point were guests at the meeting. Mrs. Floyd Erickson assisted the hostess in serving refreshments.

## Beauty Pageant Scheduled June 22-24

SARASOTA—An unusual talent presentation will be one of the features of the Miss Florida Pageant at Sarasota June 22-24. It will be a three-minute film of athletic skills displayed by Miss Lakeland who is being sponsored by the Lakeland Jaycees.

Barbara Cooper is holder of the world's record distance ski jump for women, in addition to being a beauty queen. She also won first place in the women's slalom competition at the Dixie Water Ski Tournament held at Cypress Gardens this year.

Barbara will present in her film examples of her skill at water skiing and slalom performances as well as her prowess in diving and golf.

Barbara, 35-224-35, will water ski at Cypress Gardens this summer and hopes to enter Florida State University in the fall.

## Missionary Group In General Meeting

## Christian Science Group Of Canal Point

How individual rights are defended through spiritual perception of God's complete power and wisdom will be brought out at Christian Science church this Sunday.

Keynoting the Lesson-Sermon entitled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" is the Golden Text from Proverbs (21): "There is no wisdom nor understanding nor counsel against the Lord."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (pp. 234, 235): "Evil thoughts and aims reach no father and do no

more harm than one's belief permits. Evil thoughts, lusts, and malicious purposes cannot go forth, like wandering pollen, from one human mind to another, finding unsuspected lodgment, if virtue and truth build a strong defense."

From the Bible will be read these verses from I Peter (5): "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour; Whom resist steadfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world."

**"those good old days?... bosh!"**

"Farming is different now. Profits depend on more efficiency, with greater production per man, per acre and per machine. This calls for time-and-labor saving electricity. You'd be surprised how much of my work Reddy Kilowatt has taken over... and the extra cash he's put in my pocket."

Yes! ... the big difference in today's Florida rural scene is the ever-Reddy electric switch. On the farm and in your home, Reddy is your willing, tireless "wired hand" whose low wages can't be beat.

# New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones you own now are better than ever*

Q: How does the new  $3\frac{3}{4}\%$  interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to  $2\frac{1}{2}\%$  for the first year and a half; then a guaranteed  $4\frac{1}{2}\%$  each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra  $\frac{1}{2}\%$  from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic  $4\frac{1}{2}\%$  increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH

## Florida Showcase Drawing Crowds

TALLAHASSEE—The Florida Showcase, in New York's Rockefeller Center, recently staged a highly successful fruit and vegetable exhibition by serving iced watermelon to visitors to the exhibition.

Co-sponsored by the Florida Fruit and Vegetable Association and the Florida Development Commission, the free melon treats were provided by Florida melon growers and shippers. New York radio stations and newspapers were used in the promotion, inviting New Yorkers to drop in at the Florida Show Case, see all the exhibits, and have a slice of cold melon from the Sunshine State.

Florida, along with Texas and Georgia, is one of the nation's leading commercial watermelon states. Traditionally the melon crop begins in extreme south Florida and moves up the peninsula.
